

Dynamo Soccer Club Goal Moving Policy

A “Movable Soccer Goal” means a freestanding structure consisting of at least 2 upright posts, a cross bar and support bars that is designed: to be used for the purposes of a soccer goal, to be used without any form of support or restraint other than pegs, stakes, augers, counter-weights or other types of temporary anchoring devices, to be able to be moved to different locations.

“Trained Permitted Users” include Dynamo Soccer Club staff, coaches and volunteers who have reviewed and documented their understanding on this policy and received Goal Moving Training.

“Soccer-Related Activity” means use of Movable Soccer Goals on Property, including without limitation, soccer games, scrimmages, practices and other similar activities.

- I. Prior to the start of the soccer season, Dynamo Soccer Club will place and secure Movable Soccer Goals on its assigned fields in accordance with Safety Guidelines.
