The Benefit: NYSA is a non-profit 501.3(c) corporation and donations are typically 100% tax deductible. We are an all-volunteer, youth, recreational, sports' association serving our community and your sponsorship money goes directly to support the football program. Our football program has grown to be one of the largest in the Panhandle with over 250 young athletes ages 5 to 14 years old. We average over 2,000 patrons in the park each home game and our players' families loyally support the businesses that support our park.
