

Parent/Guardian Permission and Waiver

Minors age 15 and up are eligible to participate in Boys & Girls Club of Albany sponsored adult sports programs with parent/guardian permission.

Any and all participants under the age of 18 must submit a permission/waiver document in order for the minor to be eligible to compete in adult sports programs.

Participants and parents are advised that there are inherent dangers in playing volleyball. While the Boys & Girls Club of Albany's intent is to provide safe playing conditions, the parent/guardian and player are advised that there is always a risk of injury or death
