

SANTEE NATIONAL LITTLE LEAGUE

SNLL BOARD OF DIRECTORS LETTER OF INTENT

This letter indicates my intent in seeking nomination for the following position _____ on the Santee National Little League Board of Directors. It is my intention to follow the rules and bylaws governing Santee National Little League (SNLL). By signing below, I acknowledge that I am aware of the duties and time commitment required for both the position I am seeking and as a Board Member in general.

I have read the job description for the above position and understand that I am responsible for the specific jobs of the position I am seeking on the Board of Directors. I am also agreeing that I will make every effort to be in regular attendance at all board meetings and at league functions where Board Member support is necessary (i.e. Registration, Tryouts, Field Maintenance Days, End of the Year Picnic, etc).

I understand that if elected to the position, the term is for one year; at which time I have the option to seek the same position or another one which I may be interested in. I understand that if during my one year term I violate the Code of Conduct, I am unable to fulfill the duties of the position I am seeking or my duties as a Board Member in general, or I show a disregard for the position including dereliction of duties, I can be brought before the Board of Directors and removed from my position.

All letters of intent for board positions must be handed in to any current Board Member. If you wish to be put on the ballot for election to the following year's board, you must be a regular member in good standing and submit this letter no later than the posted deadline. Any person who fails to hand in a letter of intent will not be eligible for election to the Board of Directors and will not be placed on the ballot. You can contact any Board Member of SNLL by email or phone (see website for contact info) to drop off your letter of intent.
